Just a little update!!

Don't miss Beni Malone in his wackiest clown comedy yet!

All Fool's Day follows the exploits of Underbelly, a down and out performer who has reached rock bottom. There he is plagued by three puppets; his head, his heart, and ... for lack of a better word... his other head. Which advice to follow? After losing himself in the bottle, Underbelly starts his comeback with the help (and hindrance) of a motley collection of characters from this past.

All Fool's Day compellingly melds the fantasy of clown and puppetry with human weakness to create a uniquely funny production stamped with the Malone magic we have come to expect from Newfoundland's foremost clown.

Performed by Beni Malone (with help from Peter Duchemin)
Directed by Rick Boland
Music by George Morgan
Puppets by Darka Erdelji

Runs until April 10th @ 8pm nightly

Tickets \$15 - Wednesday is Pay What You Can
